

ACKNOWLEDGEMENT

The satisfaction and euphoria that accompany the completion of a task would be incomplete without crediting the people who made it possible, whose constant guidance and encouragement crowned the efforts with success.

I would like to profoundly thank Management of Bangalore Institute of Technology for providing such a healthy environment for successful completion of Mini Project work.

I would like to express my thanks to the Principal **Dr. Aswath M.U.** for his encouragement that motivates me for the successful completion of Mini Project work.

It gives me immense pleasure to thank **Dr. Jyothi D.G.**, Professor & Head, Department of Artificial Intelligence & Machine Learning for her constant support and encouragement.

I am most humbled to mention the enthusiastic influence provided by my guides **Prof. Sahana M** and **Prof. Manoj Kumar H** for the ideas, time to time suggestions, constant support and co-operation showed during the venture and making this mini project a great success.

I am very much pleased to express our sincere gratitude to the friendly co-operation showed by all the staff members of Artificial Intelligence and Machine Learning Department, BIT. I would also take this opportunity to thank our friends and family for their constant support and help.
